

# CATOCTIN HALL

at MUSKET RIDGE

MARYLAND *Welcome Guide*

MOUNTAIN VIEWS, ECO-FRIENDLY, FULL SERVICE

## *A little about us*

We are a full service venue, meaning we take care of set-up, breakdown, and all of the details in between with our incredible Events Team including our provided Day Of Coordinator. Our goal is to make the process from "Yes" to "I Do" seamless, stress-free and uniquely you.

We are proud to be the first venue in the United States to implement a Zero Food Waste Initiative, diverting over 4 tons of waste from landfills to onsite gardens annually. This along with our other sustainability practices makes your wedding more eco-friendly without the worry of arranging it.

We hope to share our passion for sustainability, connecting with people and nature by providing a beautiful space, with magical sunsets and completely surrounded by our beloved mountains, for you to gather and celebrate with your loved ones. We consider it an honor to serve as the backdrop for such a special day.

### **The Perfect Day**

You really can't beat the mountains or sunset at Musket Ridge. Viki and Melody helped my husband and I to create the perfect day. The ballroom was gorgeous with an abundance of natural light during daylight hours. In the evening it has a very romantic feel. Especially the outdoor fire pit! To top it off, the food was delicious, and my guests were very outspoken about how much they enjoyed their meals.

### **Beautiful Venue and Experience**

The most beautiful wedding venue ever! We had to postpone our wedding due to COVID, but recently had our wedding and it was perfect! Melody helped us over the years and she is truly a gem. So sweet and answered all questions in a timely manner. On the day of the wedding, the room was set up beautifully. Bev the bridal attendant always made sure we had something to eat or drink. Viki and her team helped make the day go so smoothly. Not to mention the views are stunning! It was hard to keep everyone seated they all ran outside to admire the sunset. Highly recommend!
